5. Dear authors! Please check your abstracts before submitting for spelling, punctuation errors, typos and formatting errors. Abstracts can go through additional text edits. In case of serious formatting errors, the Organizing Committee and the Program Committee of the Conference do not have any responsibility for the quality of the print edition and reserve the right to refuse the work.

Registration to the conference

(compulsory!)

Please, provide us with the following information by filling in the form on the conference web-site (<http://iti.fit.univ.kiev.ua>):

ALL fields are required

1. Your title, first and last name
4. Country
5. Company / University name
6. Section and Registration Category
8. Do you need accommodation? (accommodation is not covered by the conference fee)
9. Full Postal Address
10. Author's Email
11. Phone number
12. Do you need the printed version of the publication collection?
13. Date

Registration fee

Conference fee – **40 Euro** (includes publication, coffee breaks, organizational expenses, and printed copy of conference abstracts. Conference fee **does not** include accommodation and dinner reception)

Conference Deadlines

1. Registration on the conference web site <http://iti.fit.univ.kiev.ua> – **November 22, 2019**
2. Abstract submission via conference e-mail (fit_conferencii@ukr.net) – **December 1, 2019**
3. Abstract acceptance by the Program Committee – **December 8, 2019**
4. Notification of authors on acceptance or rejection of their abstracts – **December 8, 2019**
5. Conference fee payment deadline: **December 15, 2019**

Web: <http://iti.fit.knu.ua/>

E-mail: fit_conferencii@ukr.net

Phone numbers:

Manager of the Conference: Sergiy Paliy + 38 (093) 625-27-30

Secretary of the Conference: Anastasiia Dubnytska +38 (099) 753-45-08

Tetiana Sobol + 38 (093) 529-28-45

Abstract template

¹ **J.J. Jackson**

PhD, Professor, Department of Information Technology

² **P.P. Peterson**

Undergraduate

¹ *Michigan State University, Michigan*

² *University of Texas at Austin, Texas*

MANAGEMENT INFORMATION SYSTEMS

Management information systems encompass a broad and complex topic. To make this topic more manageable, boundaries will be defined. First, because of the vast number of activities relating to management information systems, a total review is not possible. Those discussed here is only a partial sampling of activities, reflecting the author's viewpoint of the more common and interesting developments [1].
