Cultural Program

Excursions to the places of interest in Vinnytsya and Vinnytsya region are planned for the participants of the Conference. Vinnytsya is situated on the banks of the river Southern Bug and it is the center of the one of the most picturesque regions of Ukraine – Podillya. Wonderful natural landscapes are interlaced here with urbanized civilization and this creates the unique color. History has more than six centuries and during this period wars and revolutions were alternated with the times of rebuilding and prosperity. They all left their imprint in interesting architectural monuments and cultural heritage of Ukraine.
